

ANNOUNCEMENT

CRT Announces Strategic Merger with Chem Clean Resources

(HOUSTON, TX, OCTOBER 2017) – Chemical, Refining, and Terminal Services (CRT) is excited to announce the strategic merger of CRT and Chem Clean Resources. The combination of these two companies and their service lines has positioned CRT to provide a vertically integrated service offering that enables customers to benefit from a comprehensive, single-source provider. With increased capabilities and efficiencies, CRT is bringing a greater value to its clients than ever before.

Chem Clean Resources has been providing industrial cleaning services to industry leaders for over seven years – delivering performance excellence and an impeccable safety record for hundreds of clients throughout the Gulf Coast. CRT will continue to lead the way in the industrial cleaning market, and we are proud to announce the addition of many complimentary service lines to add value for our clients. Our goal is to be a quality solutions provider that continually strives to identify improvements in efficiencies and safety, and to always deliver our services with the highest levels of honor and integrity.

For more information on our lines of service, please call or visit our website at www.crt-usa.com.

Driven by integrity.
